**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I live in a rural community and rely on Sonic to provide local broadband for my home and business work . Sonic has improved my service over AT&T who was my previous provider but unsatisfactory with dropped calls and difficulty providing a land line .Also Sonic has not raised their prices unlike other providers. Please do not take the competition out of internet providers, competition is what made America great.
